Volume 8, Issue 7

Dear Friends and Partners,

Isn't August an amazing month? I hope that you're feeling as energized as I am. There is so much to do; festivals to attend, BBQs to have, lakes to swim in and great properties to invest in!

As you know this month we take a little time off to reconnect with ourselves, our family and the great outdoors. I'll be doing a canoeing trip in the Rockies with a wonderful friend that Danielle and I traveled throughout India with 12 years ago. In addition to that, my Mom will be out visiting for a few weeks. But enough about me... What will you be doing?

Never underestimate the value of taking time away from the usual to sit quietly and reflect, or to live out loud a wild adventure. In these moments you'll be fully engaged with yourself... And that is a precious and valuable thing indeed. So, enjoy August and we'll resume our newsletter September 1st.~

PS: I hope to see you at the REIN Event later this month. Here's what you have to look forward to:
